

GENERAL REGULATIONS FOR FELLOWSHIP HOLDERS

Recipients of campus fellowships, including department block awards, must adhere to the following regulations:

- Must maintain a 3.50 GPA
- Must enroll in and complete a full course load (12 graduate units or the equivalent)
- Must have no more than 7 units of Incomplete grades
- If in the Ph.D. program, must be advanced to candidacy within 12 quarters after entry
- Must be making **acceptable progress** toward their degrees
 - For these purposes, acceptable progress for a Ph.D. student is represented by the normative time to degree for the particular program plus one year
 - For most Master's students, acceptable progress is represented by enrollment for not more than two years
- Any change in student status (leave of absence, withdrawal, etc) must be reported immediately to the Graduate Division (Karen Smith, x3315)
- Changes in degree objective and/or degree program may, in some cases, affect the students' eligibility for fellowship awards.
- Fellowships are awarded to students to free them from the need for employment. Awards with a stipend of greater than or equal to a \$10,000 stipend can be supplemented with prior approval of the Graduate Dean. The Graduate Adviser in your department must make this request to the Dean in writing. Fellowship awards with a stipend of less than \$10,000 may be supplemented without prior approval. Fellowships that do not allow supplementation are the GAANN, Eugene Cota-Robles Award, Dissertation Year Fellowship, Humanities Research Assistantship, and Research Assistantship/Mentorship Program. Please see <http://www.graddiv.ucr.edu/studaffairs.html#genreq> for rules and regulations of fellowship supplementation.
